Michael Cumming

Director

Represented by:

Hugo Young

Michael Cumming is an award winning director and filmmaker, successfully working at the cutting edge since the '90s. A graduate of the legendary Royal College of Art Film School and recipient of an honorary doctorate for his groundbreaking television work, Dr Cumming's directing work combines a strong visual sense with a talent for capturing extraordinary performances. It includes the controversial 'Brass Eye' series and his feature film documentary about it 'Oxide Ghosts', five series of political pranks and polemics on 'The Mark Thomas Product', cult classic 'Snuff Box', Jo Brand's improvised comedy drama 'Going Forward' and three series of Matt Berry's BAFTA winning sitcom, 'Toast Of London' and it's follow up, 'Toast of Tinseltown'.
