

Torben Betts

Writer

Torben Betts is one of the UK's leading playwrights and his plays are produced both in this country and internationally. Earlier in his career he was championed by Sir Alan Ayckbourn, who invited him to be resident dramatist at the Stephen Joseph Theatre, Scarborough in 1999. Liz Lochhead, former Makar of Scotland, has described him as "just about the most extraordinary writer of drama we have", while Time Out says his plays are "brilliant and testing."
