

# Hunter Andrews

## Writer

Hunter Andrews is a screenwriter from Manchester, currently living in London. He's currently developing several Film and TV projects in the UK and US. These include the original script, AKA BILLY THE KID with Film 4 & Element. An adaptation of Geoffrey Household's ROGUE MALE with Searchlight and SunnyMarch. And UNSTOPPABLE, A real life military/sports biopic with RAW TV based on the best-selling-book "Rise: A Soldier, a Dream, and a Promise Kept". In TV, he's developing shows with 60forty Films.-

He's also interested in new technologies for Storytelling and wrote the original story for the first-ever VR episode of BBC'S, DOCTOR WHO, which was Emmy nominated.
