

Nick Luddington

Writer

Selected for the 2021 Next List by Coverfly and TrackingBoard, Nick is a writer and co-producer on the Emmy-winning *ARCANE* for Netflix and Riot Games, transforming the global franchise into an award-winning TV series. *ARCANE* won all nine categories it was nominated for at the Annie Awards - including Best TV, Direction, Writing, and Production. Season Two is out in November 2024. Nick's other animated projects include *Wings of Freedom*, a feature fully financed by StudioCanal and currently in production. *Picatopia*, an animated series from Oscar-nominated and Emmy-winning Studio AKA. He's also attached to co-create an animated series for AGBO with Brandon Auman (*Vox Machina*) based on the worldwide game phenomenon *MapleStory*. Nick has several live-action features and TV series in development including *The Last Bank* at Zoic Studios with Loni Peristere directing (*The Witcher*, *House of the Dragon*), *The Killing Moon* at Riverstone Pictures, *Starfall* at Good Hero, as well as *Memo* and *ADD* (based on the IP of Douglas Rushkoff's graphic novel) at Submarine. His other projects include a AAA Sony game, as well as reimagining *Jekyll & Hyde* for Audible, *Strange Case*, with Derek Kolstad (*John Wick*) and Vanessa Kirby voicing. Before becoming a full-time writer, Nick worked in development at Working Title Films. His first feature script won the 2012 Cordelia Award for Best British Screenplay.
